

HSM Pure 830 - 4.5 x 30 mm

HSM Pure 830 document shredder

The particularly powerful shredder designed for the department. The efficient drive is highly effective for an increased cutting performance in continuous operation. The powerful cutting roller for large quantities of paper is impressive due to its high cutting performance.

Product information

The high quality materials and proven HSM "Made in Germany" quality guarantee you are receiving a safe and durable machine.

The induction-hardened, solid steel cutting rollers with a lifetime warranty can easily cope with staples and paper clips and guarantee durability.

The powerful motor ensures a high cutting capacity and reliable continuous operation.

Via the automatic paper jam prevention feature, the system recognises autonomously and quickly whether too much paper has been fed in. The machine goes into reverse or increases the power temporarily and pulls the paper in.
