Product information

For a consistently high cutting performance, this low maintenance document shredder has an external automatic oiler as an option.

The induction-hardened, solid steel cutting rollers with a lifetime warranty can easily cope with staples and paper clips and guarantee durability.

A separate collecting bag means that the shredder material can easily be sorted and separated for correct recycling.

HSM®

For continuous operation

The powerful motor ensures a high cutting capacity and reliable continuous operation.

Energy-saving

In stand-by mode, intelligent control programme EcoSmart ensures there is an exceptionally low power consumption of 0.1 watts.

High level of user safety

The safety element prevents unintentional entry of materials into the machine and thereby increases the user safety.

Automatic start/stop

The operation is very easy: the device starts automatically when fed paper and automatically stops after shredding is complete.

Anti-paper jam function

The paper feed with overload protection reduces paper jams and sustains the high throughput of paper.

Convenient emptying

Robust wooden cabinet with castors. After opening the door, the reusable collecting bag can be easily removed and emptied.
