# **Product information**

The induction-hardened, solid steel cutting rollers with a lifetime warranty can easily cope with staples and paper clips and guarantee durability.

The document shredder has a sturdy cabinet with a wooden floor and an extra-large door opening angle which facilitates removing and replacing the collecting bag.

After opening the door, the removable, collecting bag can be easily removed and emptied.

#### For continuous operation

The powerful motor ensures a high cutting capacity and reliable continuous operation.

#### **Energy-saving**

The stand-by feature ensures a high degree of energy saving when the shredder is not in use.

## Anti-paper jam function

The paper feed with overload protection reduces paper jams and sustains the high throughput of paper.

# High level of user safety

User safety is paramount. A slight pressure on the safety element immediately stops the paper feed and prevents unintentional entry into the machine.

### **Automatic start/stop**

The operation is very easy: the device starts automatically when fed with paper and automatically stops after shredding is complete.

#### Mobile on castors

For convenience, there are castors on the document shredder so it is easy to move around.

Lifetime warranty on solid steel cutting rollers at security levels P-2 to P-5 (according to ISO/IEC 21964).
